A1 Display Edge

For a consistent appearance, doodleglass sizes match the overall dimensions of Displayedge, our LED illuminated frameless glass postercase.

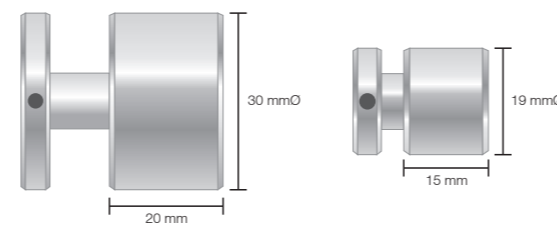

Combined, they offer a flexible display solution for all environments.

Should our standard sizes not cater for your requirements please contact us for bespoke options.

Doodleglass can be branded with company logos or bespoke grids to suit specific applications. Ideal for conference & meeting rooms.

Please call our sales team to discuss options available.

DG001/002/003 are supplied with 30mmØ maxi SAA fixings.  
 DG004/005/006/007 are supplied with 19mmØ mini SAA fixings.
