

# fire!

## Data

fire! is a unique range of tough and elegant fire escape signs compliant with all current BS and EC regulations. Manufactured from screen printed rigid 3mm Foamex, either single or double sided and supported with a satin anodised aluminium extrusion.

The fire! collection has been designed for the discerning specifier and developed in conjunction with typographer Jeremy Tankard.

Special designs, sizes, colours and graphics are available on request.

## Size

Available in two sizes;

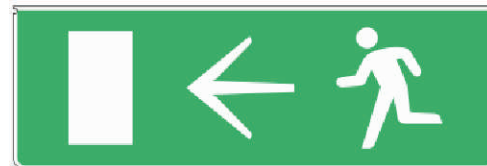

400(w) x 130(h)mm  
500(w) x 180(h)mm

## Fixing

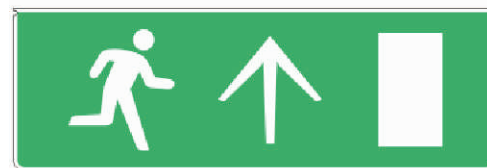

Signs can be wall fixed with self adhesive tabs or ceiling fixed with suspension kits using 1mm steel cable. Suspended signs are available with printing on one or both sides.
